Enrichment Clubs Running at Lavender

We believe that clubs give children the opportunity to make new friends and develop new skills. The clubs on offer are run either by members of Lavender staff or outside agencies.

External After School Clubs

We are very lucky to offer a variety of excellent outside companies to host sports sessions, dance sessions, drama sessions and food technology sessions. The sessions run after school throughout the week from 3:15 to 4:15, for the children at Lavender School.

If your child is interested in attending any of the external clubs listed below, please email the clubs directly:

SmartRaspberry - handeerel@smartraspberry.com or geeangelo@smartraspberry.com Also check out their website at: www.smartraspberry.com

Elite Youth Development - For further details please call Jo on 020 8344 2045

Football club

Lavender runs an inclusive football team for boys and girls that plays against other local school teams in a competitive league. Children are given the opportunity to play their matches on Enfield Grammar's amazing 3G pitches in Enfield Town and after school on four afternoons the team plays 8 games. The football club allows the children to test themselves in a competitive environment, learn about winning and losing, and bond as a team.

Lunchtime Clubs

We also have a huge variety of clubs run by Lavender staff during lunchtimes such as: Book Club, Art Club, Eco-Community, Choir, philosophy, and more.

Please see the table below for sessions running during the Autumn Term 2019.

ENRICHMENT CLUBS AUTUMN TERM 2019
